

## Jump & Run

### Lara!

This level is a combination of Tomb Raider and a jump and run game. So there are some things you have to pay attention:

- The camera always looks from the side, this means you can move Lara only back- and forwards. You cannot move right or left.
- You cannot save, but there are several savingpoints which are loaded automatically in case of Laras passing away.

### Credits

Level: Lara Croft @ Nerkan

Many thanks to my testers: Markus and VolkerE

Thanks for the musical idea to Markus again.

And thanks to VolkerE for the english translation.

Object-builders:

Trinity, TifaNazah, teme9, dizzydoil,

Laras Boyfriend, Mr XY, Level NextGen, Po Yu,

Karlo002, max\_87, Flo.

I am really sorry if I forgot someone here!

Many thanks also to the Advent-Kalender at [laraslevelbase.org](http://laraslevelbase.org)!

Help: If there are any problems feel free to contact me at: [nerkani@hotmail.de](mailto:nerkani@hotmail.de)
