[1.0] About/Story

////////////////////////////////////

DO NOT OVERWRITE THE TOMB4.EXE OR ELSE THE GAME WILL NOT WORK CORRECTLY!!

This is the full Purgatory game hosted by Lara Croft Online (<http://www.laracroftonline.com>). The game's play time is about 2 hours and includes the great Lara Croft outfit by Po Yu. **THIS GAME ONLY WORKS ON WINDOWS XP AT THE MOMENT!**

Story:

The devil has emerged from the bowls of hell to wreak havoc on those who don't appreciate life. Everyone of the city Santa Monica, Los Angeles have mysteriously disappeared or have been murdered. Lara's agent contacted her and told her about the mysterious disappearances in Santa Monica. When she arrived the city was literally deserted, all she finds is bloody murders and shocking and disturbing imagery. Now Lara must raid the gothic landscape and find out the answer to these grotesque murders and disappearances.

////////////////////////////////////
