

# Legio VI Victrix

## I Presentation

There are 5 levels: 4 normal levels and 1 bonus level.

## II Installation

Place all the .tr4 files into the Data folder;

Place English, Script, Tomb4.exe and DDL in TRLE folder;

Double click on *start\_me.exe* to convert the audio mp3 files into Wav files, and place them in TRLE/Audio folder.

## III Levels description and Tips

**Secrets and bonus :** There are 12 secrets in normal levels, among them 5 are bonus keys. If you can get 5 bonus keys, you will be able to play the bonus level.
