Story

*Christmas stands in front of the door and Lara
lays inside her bed.*

Sweet dreams,Lara...

*"Far,far away in the north, there's an very cold
place with an secret cave.*

There's the source of energy for christmas.

*There's a star which make sure christmas feelings.If
it isn't on it's
place,there will be no christmas."*

*But not anyone thinks it's good and so one day
a monster names Honyree came to take it.The brave
mermaid Lilly
tryes to stop Honyree.....*

All levels,cutscenes and animations are mine:

-Nerkan (known as ,Lara Croft')

Surely this level wouldn't be good without the help of
this persons:

-Spongebob (Mario): Had made the shovel animations and
send a lot of good music to me.

-Uranos: Allowed me the use of his flashlight and his slingshot.
and was a good help with the "obelisk" quest.
