

ROAD TO OLYMPIA

BY TALOS AKA TALOS MUNERA

Per festeggiare le festività pasquali, Lara decide di far visita all'antica città di Olympia, in Grecia. Durante una ricerca sulle origini della Pasqua e le storie legate ad essa, Lara s'imbatte in una pergamena recante il mito dell'Uovo Cosmico, la Cosmogonia, e di Demetra, antica dea greca del grano e dell'agricoltura. Leggendo una parola all'interno della pergamena, Lara si ritrova indietro nel tempo, precisamente nell'antica Olympia...

In order to celebrate the Easter festivities, Lara decides to visit the Ancient Olympia, in Greece. During a research about the Easter's origins and its stories, Lara bumps into a scroll about the Cosmic Egg myth, the Cosmogony, and Demeter, old goddess of the wheat and the harvest. Reading a word inside the scroll, Lara finds herself back in time, exactly in the old Olympia...

Η Λαρα Κροφτ θέλει να γιορτάσει την Μεγάλη Εβδομάδα στην αρχαία πόλη της Ολυμπιάς. Η πασίγνωστη αρχαιολόγος, σπουδάζοντας την αρχαία ιστορία της πόλης, βρήκε μια περγαμηνή με τον μύθο της Κοσμογονίας και της Δήμητρας, η αρχαία θεά των δημητριακών της Ελληνικής Μυθολογίας. Διαβάζοντας μια λέξη μέσα στην περγαμηνή, η Λαρα θα ταξιδέψει πίσω στο χρόνο, ως την αρχαία πόλη της Ολυμπιάς, πατρίδα των ολυμπιακών άγνων...

DISCORSI DI LARA

Abbigliata per l'occasione! Come dico sempre, vestiti per sentirti a tuo agio. Questa stanza è indicata sulla mappa, meglio controllare.

Ok, apriamo le danze! E' tutto così confuso... mi chiedo cosa sia. Mi serve un indizio, magari nell'iscrizione. Vediamo cosa riesco a scoprire.

Credo che ci siamo, sono venuta a capo di situazioni ben più delicate.

E' bello rientrare in azione! Sembra un posto sicuro, ma devo trovare una via d'uscita...

Sembrerebbe una lingua che non conosco...

Si direbbe una via d'uscita

LARA'S SPEECHS

Dressed for the occasion! As I always say, "Dress yourself for feeling at ease". This room is indicated on the map. I'd better check.

Ok, let's start! Everything is so confused... I wonder what is this. I need a clue, maybe in the inscription. Let's see what I can find out.

I think I've got it. I've succeeded in more difficult situations before.

It's great to be back in action! It looks to be a safe place, but I have to find a way out...

It seems to be a language that I don't know...

It looks like a way out.
