

Hints for finding secrets

Need some help finding those secrets? Below you can find hints that might help you in the right direction. Need even more help? Then you can find the location of every secret on the next pages. However, it's more fun if you find them yourself! 😊

Perilous Prologue

1. If there is a trapdoor in the water, then the switch to open it can't be far away.
2. You have to take the difficult route to find this secret.
3. You're on a roll if you can reach this secret.

Subterranean Secrets

1. Take the escalator.
2. Keep moving those crates!
3. Don't keep the change – use it!

Level 3

1. Did you notice something different on some of the obelisks?
2. Those gargoyles look menacing...
3. If you can't find this secret, maybe a detective can!

Bonus

1. Front yard
2. Entrance
3. Entrance
4. Hallway
5. Basement
6. Gym
7. Pool
8. Attic
9. Attic
10. Backyard

Secret locations

Perilous Prologue – Secret 1

There is a jump switch hidden behind the plants. Use it to open a trapdoor in the water. You will find the secret between the plants.

Perilous Prologue – Secret 2

When you pull this switch, a (timed) gate opens to a room with mounted blades. Inside this room, there is a second switch. Pull it, exit the room, and continue to the sloped room. Cross this room to the far end, where you will find the secret.

Perilous Prologue – Secret 3

In the room with the rolling blades, there is a door with a switch besides it. Push the switch to open the door and find the secret.

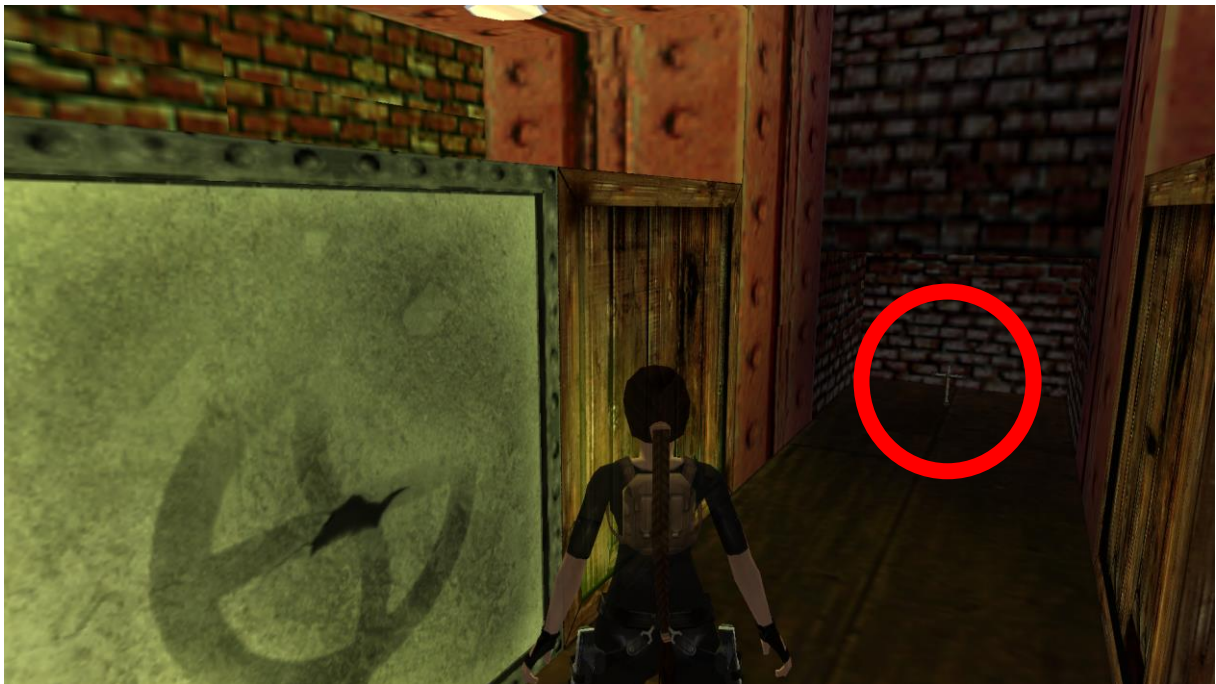

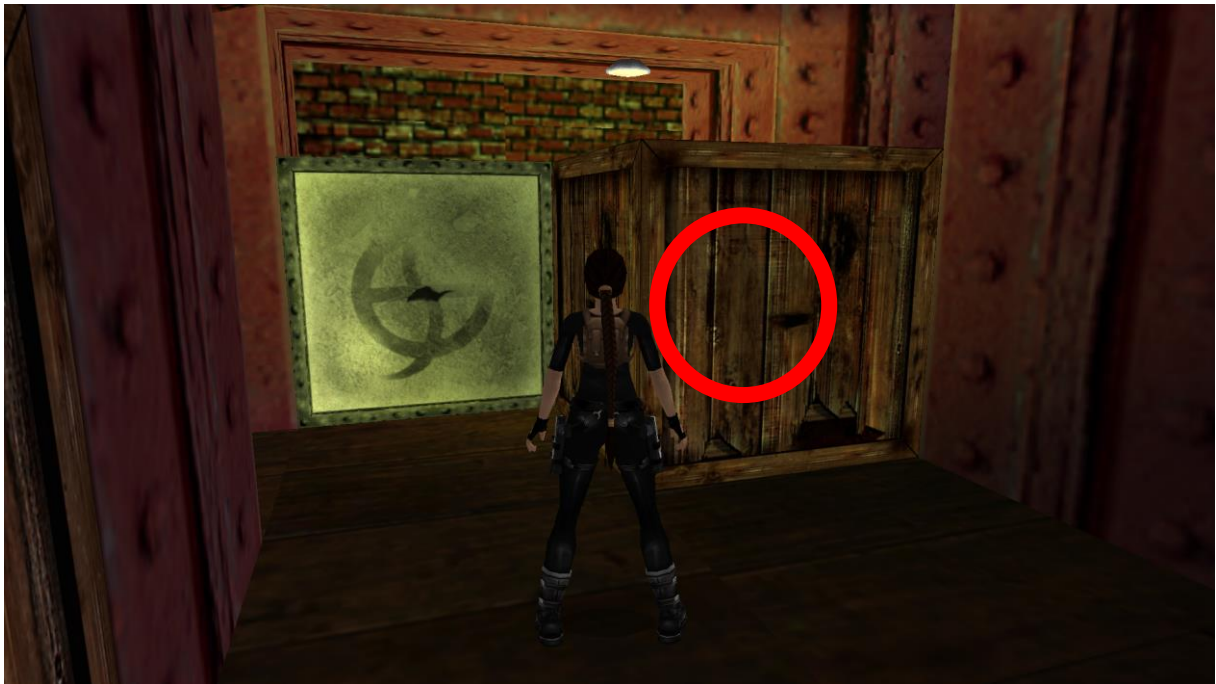

Subterranean Secrets – Secret 1

Go down with the escalator. There is a hatch here that Lara can open. Follow the crawlway and the subsequent corridor to find the secret.

Subterranean Secrets – Secret 2

You have to get this crate out of the way to find an alcove in which the secret is hidden.

Subterranean Secrets – Secret 3

When you help the beggar, you will get a coin as change. Use it at one of the vending machines to buy a subway ticket. Near the end of the level is a grate you can destroy. Go through the hole, where you can use the subway ticket to open the ticket gates and find the secret.

Treacherous Treasures – Secret 1

There are special paintings on three of the six obelisks. Push the buttons on these obelisks. The case with the mummy will open, and a key will fall out. Use this key to open the gate to the other wing. Halfway down the corridor is a painting with the secret in front of it.

Treacherous Treasures – Secret 2

Go to the gargoyle with the red light. From the hedge, jump and grab the ledge on which the gargoyle stands. Shimmy to the right, and climb behind the statue. Drop down the hole and follow the crawlway to find the secret.

Treacherous Treasures – Secret 3

In the library, go to the section on the ground floor with detective books. Use the book switch that is hidden around the corner to open a secret door on the first floor.

Chateau of a Countess – Secret 1

There is a secret behind the tents in the garden.

Chateau of a Countess – Secret 1

There is a secret right above the front door.

Chateau of a Countess – Secret 3

There is a hidden crawlway under the stairs, behind the plant. There you will find the secret.

Chateau of a Countess – Secret 4

There is a secret on one of the pedestals.

Chateau of a Countess – Secret 5

When you shoot all the targets in the basement, a door will open when you leave the basement. You will find a secret (and the shotgun) there.

Chateau of a Countess – Secret 6

There is a secret in one of the corners of the gym.

Chateau of a Countess – Secret 7

There is a secret between the trees in the pool area, right from the diving board.

Chateau of a Countess – Secret 8

In the attic, there is a hole between the crates under the ceiling with blue light. The secret is in this hole.

Chateau of a Countess – Secret 9

Near the end of the race track in the attic, there is a crawlway hidden in the ceiling. Follow the crawlway and dive into the aquarium, where you will find the secret.

Chateau of a Countess – Secret 10

The final secret is behind the grey Jeep in the backyard.
